Anis Raihan Dzeidee Schaff, PhD

Psychology Researcher

Email: raihandzeidee@gmail.com
Research Profile: Google Scholar, Scopus, Academic Website

Career Profile	• PhD in Psychological Medicine with interdisciplinary training in cognitive sciences and neuroscience, specialising in child and adolescent mental health, parenting, and family-based interventions. • Experienced in RCT coordination, quantitative research, and statistical analysis, including SEM and psychometric validation. • First and co-author of peer-reviewed publications in Current Psychology, Digital Health, and Frontiers in Psychology. • Teaching experience in developing learning materials and tutoring school students, undergraduate and postgraduate students. • Research interests encompass developmental and health psychology, family processes, adolescent mental health, and the development and evaluation of preventive digital mental health interventions.
Highest Education	**Universiti Putra Malaysia** **PhD in Psychological Medicine** 2021 – 2026 Thesis: Structural Relations Between Parental Mental Health, Self-Efficacy, Parenting Behaviour, and Early Adolescent Mental Health Among Malay Families in Malaysia CGPA: 3.83
Past Education	**Universiti Sains Malaysia** **Master of Neuroscience** 2019 – 2021 Thesis: EEG Microstate Analysis of Neural Responses to Auditory Stimuli CGPA: 3.75 **Universiti Malaysia Sarawak** **BSc. (Hons.) Cognitive Sciences** 2015 – 2018 Dissertation: Experiences of Special Education Teachers in Teaching Adolescents with Intellectual Disability About Sexuality Education CGPA: 3.71
Work Experience	**Universiti Putra Malaysia** **Research Assistant** Serdang, Selangor December 2025 – Present • Supported the ongoing implementation of a randomized controlled trial evaluating a web-based preventive mental health intervention for adolescents and young adults (AYA) (FRGS-funded) • Co-developed an evidence-based module integrating cognitive behavioural therapy and behavioural activation techniques targeting depression and anxiety among AYA • Coordinated intervention implementation, data management workflows and study operations • Contributed to ethics applications and manuscript preparation

International Islamic University Malaysia
Project Officer
Kuantan, Pahang
July 2023 – April 2024

- Coordinated a national-level Psychological First Aid programme for school counsellors (Yayasan Hasanah-funded)
- Conducted statistical evaluation of programme effectiveness
- Produced technical reports to support programme improvement
- Managed reporting and monitoring for activities in accordance with the allocated budget

Universiti Putra Malaysia
Graduate Research Assistant
Serdang, Selangor
October 2021 – May 2023

- Co-developed and implemented a digital-assisted parenting intervention (DaPI) (FRGS-funded)
- Coordinated RCT implementation, including recruitment and data collection
- Conducted statistical analyses on parenting and adolescent mental health outcomes
- Authored peer-reviewed publications and presented at international conferences

Teaching Experience

Teaching Assistant (Freelance)
July 2024 – September 2025

- Assisted in developing lecture slides, tutorials, and instructional materials for undergraduate and postgraduate psychology and behavioural science modules.

Tutor (Freelance)
January 2021 – December 2023

- Delivered one-to-one tutoring in Cognitive Neuroscience (Master's level), with a focus on critical review and academic writing for assignments.
- Tutored primary and secondary students (English and Science) using level-appropriate strategies.

Substitute Teacher
June – Nov 2018; SMK Tok Sera, Kuantan
Jan – May 2014; Ekhlass International School, Kijal

Intern Special Education Teacher
June – Sept 2017; SMK Seri Damai, Kuantan

Research Publication

Teaching Areas

- Research Methodology
- Basic and Applied Statistics
- Behavioural Science
- Child & Adolescent Psychology
- Cognitive Psychology
- Cognitive Neuroscience
- Cognition and Learning
- Developmental Psychology
- Health Psychology
- Psychometrics & Psychological Measurement
- Research Ethics and Integrity
- Social Psychology
- Neuroscience

Skills

Research Methods & Analytical Expertise

- Randomized controlled trials
- Cross-sectional and longitudinal research designs
- Structural equation modelling
- Scale adaptation and validation
- Systematic literature reviews
- Quantitative data analysis
- Digital learning resource development
- Instructional material development
- Learning management system (LMS) support

Statistical Software

- SPSS
- AMOS
- Jamovi
- MATLAB
- R (basic, actively developing)

Languages

- Malay (Native)
- English (Proficient)

Intellectual Property

Title of Work: Digital-Assisted Parenting Intervention (DaPI) Program
Notification No: CRLY2023W02011 | Category: Literary

Peer-Review Experience

Frontiers in Child and Adolescent Psychiatry — 2026
Current Psychology — 2025, 2023
Journal of Cognitive Sciences and Human Development — 2023

Workshop Attended

- Ethics of Research Involving Human Subjects for Social Science and Humanities Research, UPM (2026)
- Ethical Gen AI in Academia: Balancing Innovation and Integrity, UPM (2025)
- Bibliometric Analysis Workshop, UPM (2025)
- HyFlex Learning for Beginner, UPM (2025)
- AI in Systematic Literature Reviews, UPM (2025)
- Advanced Statistics Using SPSS, UPM (2022)
- SEM Using AMOS, UPM (2022)
- Writing for High Impact Journals, UPM (2021)
- Organising and Presenting Research Findings, UPM (2021)

Professional Membership

- International Student of Islamic Psychology Malaysia, 2026–2027
- Malaysian Psychology Association (PSIMA), 2022–2028
- Malaysian Association of Psychology Students, 2024–2026
- Society for Neurosciences Kelantan (SfNK), 2019–2021

Community Service and Outreach

- Emcee, PFA for School Counsellors, Kulliyyah of Nursing, International Islamic University Malaysia, 2024.
- Emcee, Mental Health Literacy Program, Kulliyyah of Nursing, International Islamic University Malaysia (IIUM), 2023.
- Moderator, Webinar DaPI: Kesihatan Mental Awal Remaja, Universiti Putra Malaysia, 2021.
- Moderator, Annual General Meeting, Society for Neuroscience Kelantan, Universiti Sains Malaysia (USM), 2021.
- Trainer, Comprehensive Sexuality Education, SPOT Community Project, 2021.
- Facilitator, Malaysian Brain Bee Challenge Grand Final, Universiti Sains Malaysia, 2019–2020.
- Facilitator, Community Outreach Programme (Addiction), Cure and Care Rehabilitation Centre, Kota Bharu, Universiti Sains Malaysia (USM), 2020.
- Facilitator, Malaysian Brain Bee Challenge Grand Final, Universiti Sains Malaysia, 2019.
- Committee Member, Pahang's World Scarf Day (PPKI/Special Education), Kuantan, Malaysia, 2017.
- Committee Member, Youth Inspirational Carnival (YIC2017), Universiti Malaysia Sarawak, 2017.
- Facilitator, Sains Kognitif Camp, Universiti Malaysia Sarawak, 2016.
- Volunteer, Community Outreach Programme, Department of Psychiatry, Hospital Sentosa, Kota Samarahan, Sarawak, 2016.
